NVG LAB SETUP

Taking control of your night vision goggle service and establishing an in-house NVG lab has never been easier with a partner like Aviation Specialties Unlimited. With more than twenty-five years of experience, ASU can equip and train your team to certify, repair, and maintain your NVGs while minimizing downtime and eliminating the risks of shipping. Your lab investment could pay for itself in as little as two years.

IN-HOUSE LAB BENEFITS

- › Minimize downtime
- › Maintain control of your NVG assets
- › Eliminate risks of shipping
- › Parts and spares ship quick
- › Preferred pricing
- › NVG experts ready to help
- › Streamline documentation & processes
